**Communication after Notice of Allowance and Payment of Issue Fee**

1. The application 09/312,922 has been allowed and the issue fee has been paid. However, there has been some confusion about a petition that was filed December 22, 1999. At that time, declarations of four of the six inventors were filed. The December 22, 1999 petition was to move forward without the remaining two inventors, Thomas Broadbent and myself (Kendyl A. Roman).

2. The application did move forward after I became the assignee of the entire interest and has been allowed.

3. A declaration has been obtained from Thomas Joseph Broadbent, signed on January 8, 2007. Mr. Broadbent was supplied with a complete copy of the application papers, (specification, including claims, drawings and declaration). The declaration signed by Mr. Broadbent and myself was filed on March 2, 2007.

4. Applicant submits that all six inventors have now filed declarations, as summarized in the following table, thus the petition is no longer needed.
